Caveats:

- These data provide a state/territory and institution breakdown of all peer reviewers (including external assessors and Community Observers) appointed in the 2020 funding cycle.
- As the data have been collected from information retrieved from RGMS and Sapphire at the time of peer review, the state/territory, institution and/or title of each peer reviewer listed may have changed since they completed peer review.
- Where an individual has been a peer reviewer for multiple schemes, they have been listed once in the 2020 Honour Roll.
- For peer reviewers whose institution is listed as “Not Specified”, they were not associated with an institution or organisation for the purposes of their peer review duties.
