

## NHMRC Centres of Research Excellence (CRE) for Funding Commencing in 2015

The information presented on this page is provided to the research community as advice about the outcomes of the competitive peer review process for this scheme.

The 15 applications listed below have been approved for funding by the Minister for Health, the Hon Sussan Ley MP.

In accordance with the Funding Agreement, between the Commonwealth of Australia and the Institution in respect of NHMRC research funding schemes, the Institution must ensure that all relevant reporting requirements are met and relevant approvals for the research are obtained and maintained for the duration of the project.

NHMRC will contact researchers and their Research Administration Officers in relation to meeting requirements, including eligibility, before funding commences. Funding will not commence until all relevant requirements have been met.
