

## Burden of Disease

Level 1	Level 2	Level 3
Sense Organ and Sensory System Disorders	Sight/Vision	Cataracts
Sense Organ and Sensory System Disorders	Sight/Vision	Myopia
Sense Organ and Sensory System Disorders	Sight/Vision	Blindness
Sense Organ and Sensory System Disorders	Sight/Vision	Lens development
Sense Organ and Sensory System Disorders	Sight/Vision	Eye surgery
Sense Organ and Sensory System Disorders	Sight/Vision	Glaucoma
Sense Organ and Sensory System Disorders	Sight/Vision	Other Vision and eye conditions
Sense Organ and Sensory System Disorders	Sight/Vision	Cornea issues
Sense Organ and Sensory System Disorders	Sight/Vision	Diabetic retinopathy (Sense Organ and Sensory System Disorders)
Sense Organ and Sensory System Disorders	Sight/Vision	Macular degeneration
Sense Organ and Sensory System Disorders	Sight/Vision	Retinal disorders NEC
Sense Organ and Sensory System Disorders	Sight/Vision	Sight/Vision
Sense Organ and Sensory System Disorders	Sight/Vision	Uveitis
Sense Organ and Sensory System Disorders	Smell	Smell
Sense Organ and Sensory System Disorders	Balance	Balance
Sense Organ and Sensory System Disorders	Hearing/Sound	Otitis media
Sense Organ and Sensory System Disorders	Hearing/Sound	Deafness
Sense Organ and Sensory System Disorders	Hearing/Sound	Tinnitus
Sense Organ and Sensory System Disorders	Hearing/Sound	Hearing Aids
Sense Organ and Sensory System Disorders	Hearing/Sound	Hearing/Sound
Sense Organ and Sensory System Disorders	Hearing/Sound	Hearing (Sense Organ and Sensory System Disorders)
Sense Organ and Sensory System Disorders	Other Sensory issues NEC	Other Sensory issues NEC
Sense Organ and Sensory System Disorders	Touch	Touch
Musculoskeletal and arthritic conditions	Fractures	Fractures
Musculoskeletal and arthritic conditions	Osteoarthritis	Osteoarthritis
Musculoskeletal and arthritic conditions	Rheumatoid Arthritis	Rheumatoid Arthritis
Musculoskeletal and arthritic conditions	Sjogren's syndrome	Sjogren's syndrome
Musculoskeletal and arthritic conditions	Chronic back pain	Chronic back pain
Musculoskeletal and arthritic conditions	Lupus	Lupus
Musculoskeletal and arthritic conditions	Bone growth and regeneration issues	Bone growth and regeneration issues
Musculoskeletal and arthritic conditions	Connective tissue issues	Connective tissue issues
Musculoskeletal and arthritic conditions	Joint or bone tissue replacement issues	Joint or bone tissue replacement issues
Musculoskeletal and arthritic conditions	Osteoporosis	Osteoporosis
Musculoskeletal and arthritic conditions	Muscle or limb movement issues	Muscle or limb movement issues
Musculoskeletal and arthritic conditions	Other musculoskeletal issues NEC	Other musculoskeletal issues NEC
Musculoskeletal and arthritic conditions	Spinal or lumbar issues	Spinal or lumbar issues
Oral Health	Dental caries	Dental caries

Oral Health	Dental surgery	Dental surgery
Oral Health	Other oral/dental health issues NEC	Other oral/dental health issues NEC
Oral Health	Periodontal disease	Periodontal disease
Skin disease	Acne	Acne
Skin disease	Atopic dermatitis/Eczema	Atopic dermatitis/Eczema
Skin disease	Burns and scarring	Burns and scarring
Skin disease	Other skin related conditions NEC	Other skin related conditions NEC
Skin disease	Psoriasis	Psoriasis
Respiratory Issues - Acute and Chronic	Pneumonia	Pneumonia
Respiratory Issues - Acute and Chronic	Chronic Obstructive Pulmonary Disease (COPD)	Bronchitis
Respiratory Issues - Acute and Chronic	Chronic Obstructive Pulmonary Disease (COPD)	Emphysema
Respiratory Issues - Acute and Chronic	Chronic Obstructive Pulmonary Disease (COPD)	Chronic Obstructive Pulmonary Disease (COPD)
Respiratory Issues - Acute and Chronic	Lung surgery	Lung surgery
Respiratory Issues - Acute and Chronic	Other respiratory issues NEC	Other respiratory issues NEC
Respiratory Issues - Acute and Chronic	Hay Fever/Rhinitis	Hay Fever/Rhinitis
Respiratory Issues - Acute and Chronic	Lung developments	Lung developments
Respiratory Issues - Acute and Chronic	Infant and Neonatal Lung conditions	Infant and Neonatal Lung conditions
Respiratory Issues - Acute and Chronic	Sleep Apnoea	Sleep Apnoea
Respiratory Issues - Acute and Chronic	Smoking related respiratory issues	Smoking related respiratory issues
Respiratory Issues - Acute and Chronic	Influenza	Influenza
Cancer and other malignant neoplasms	Colon	Bowel
Cancer and other malignant neoplasms	Colon	Colon
Cancer and other malignant neoplasms	Colon	Colorectal
Cancer and other malignant neoplasms	Breast cancer	Breast cancer
Cancer and other malignant neoplasms	Endocrine Cancers	Endocrine Cancers
Cancer and other malignant neoplasms	Endocrine Cancers	Ovarian
Cancer and other malignant neoplasms	Endocrine Cancers	Testicular
Cancer and other malignant neoplasms	Endocrine Cancers	Pituitary
Cancer and other malignant neoplasms	Endocrine Cancers	Thyroid
Cancer and other malignant neoplasms	Endocrine Cancers	Pancreatic
Cancer and other malignant neoplasms	Genitourinary Cancers	Bladder
Cancer and other malignant neoplasms	Genitourinary Cancers	Genitourinary Cancers
Cancer and other malignant neoplasms	Genitourinary Cancers	Kidney
Cancer and other malignant neoplasms	Lymphomas	Hodgkin's disease
Cancer and other malignant neoplasms	Lymphomas	Lymphomas
Cancer and other malignant neoplasms	Lymphomas	Non-Hodgkin's lymphoma
Cancer and other malignant neoplasms	Other non-specific Basic Science cancer research	Other non-specific Basic Science cancer research
Cancer and other malignant neoplasms	Gastrointestinal Cancers	Gastrointestinal Cancers
Cancer and other malignant neoplasms	Gastrointestinal Cancers	Liver

Cancer and other malignant neoplasms	Gastrointestinal Cancers	Gall Bladder
Cancer and other malignant neoplasms	Gastrointestinal Cancers	Oesophagus
Cancer and other malignant neoplasms	Gastrointestinal Cancers	Stomach
Cancer and other malignant neoplasms	Gastrointestinal Cancers	Anal Cancer
Cancer and other malignant neoplasms	Health system issues related to cancer	Health system issues related to cancer
Cancer and other malignant neoplasms	Lung cancers	Asbestosis
Cancer and other malignant neoplasms	Lung cancers	Lung cancers
Cancer and other malignant neoplasms	Lung cancers	Mesothelioma
Cancer and other malignant neoplasms	Other non-specific Clinical Science cancer research	Other non-specific Clinical Science cancer research
Cancer and other malignant neoplasms	Gynaecological cancers	Cervical
Cancer and other malignant neoplasms	Gynaecological cancers	Gynaecological cancers
Cancer and other malignant neoplasms	Gynaecological cancers	Uterine
Cancer and other malignant neoplasms	Leukaemia	Leukaemia
Cancer and other malignant neoplasms	Melanoma	Melanoma
Cancer and other malignant neoplasms	Skin cancers (non melanoma)	Basal cell carcinoma
Cancer and other malignant neoplasms	Skin cancers (non melanoma)	Head and neck cancers
Cancer and other malignant neoplasms	Skin cancers (non melanoma)	Skin cancers (non melanoma)
Cancer and other malignant neoplasms	Skin cancers (non melanoma)	Squamous cell carcinoma
Cancer and other malignant neoplasms	Childhood cancers (may include some leukemia/lymphoma and other cancer types)	Childhood cancers (may include some leukemia/lymphoma and other cancer types)
Cancer and other malignant neoplasms	Childhood cancers (may include some leukemia/lymphoma and other cancer types)	Medulloblastoma
Cancer and other malignant neoplasms	Childhood cancers (may include some leukemia/lymphoma and other cancer types)	Neuroblastoma
Cancer and other malignant neoplasms	Childhood cancers (may include some leukemia/lymphoma and other cancer types)	Retinoblastoma
Cancer and other malignant neoplasms	Haematological cancers	Blood cancer (non leukemic)
Cancer and other malignant neoplasms	Haematological cancers	Haematological cancers
Cancer and other malignant neoplasms	Haematological cancers	Myeloma
Cancer and other malignant neoplasms	Mental health and psychosocial factors related to cancer	Mental health and psychosocial factors related to cancer
Cancer and other malignant neoplasms	Prostate Cancer	Prostate Cancer
Cancer and other malignant neoplasms	Public and population health related cancer issues	Public and population health related cancer issues
Cancer and other malignant neoplasms	Head and Neck Cancers	Head and Neck Cancers NEC
Cancer and other malignant neoplasms	Head and Neck Cancers	Laryngeal cancer
Cancer and other malignant neoplasms	Head and Neck Cancers	Nasopharynx cancer
Cancer and other malignant neoplasms	Head and Neck Cancers	Oral Cancer
Cancer and other malignant neoplasms	Head and Neck Cancers	Oropharyngeal cancer
Cancer and other malignant neoplasms	Bone and connective tissue cancers	Bone and connective tissue cancers
Cancer and other malignant neoplasms	Brain cancer	Brain cancer
Benign neoplasms	Benign neoplasms	Benign neoplasms
Congenital abnormalities	Congenital heart disease	Congenital heart disease
Congenital abnormalities	Digestive system issues	Digestive system issues
Congenital abnormalities	Myopathies	Myopathies

Congenital abnormalities	Skeletal defects	Skeletal defects
Congenital abnormalities	Spina bifida/neural tube defects	Spina bifida/neural tube defects
Congenital abnormalities	Urogenital tract malformations	Urogenital tract malformations
Congenital abnormalities	Vision defects	Vision defects
Congenital abnormalities	Birth defects - all otherwise not specified	Birth defects - all otherwise not specified
Congenital abnormalities	Brain development defects	Brain development defects
Congenital abnormalities	Chromosomal anomalies	Chromosomal anomalies
Congenital abnormalities	Craniofacial defects - cleft lip/palate	Craniofacial defects - cleft lip/palate
Congenital abnormalities	Down Syndrome	Down Syndrome
Congenital abnormalities	Hearing	Hearing (Congenital abnormalities)
Diabetes mellitus	Type 1 - Juvenile/Insulin dependent	Type 1 - Juvenile/Insulin dependent
Diabetes mellitus	Type 2 - Non-insulin dependent/insulin resistant/environmental	Type 2 - Non-insulin dependent/insulin resistant/environmental
Diabetes mellitus	Diabetic Nephropathy	Diabetic Nephropathy (Diabetes Mellitus)
Diabetes mellitus	Diabetic Retinopathy	Diabetic Retinopathy (Diabetes Mellitus)
Diabetes mellitus	Gestational	Gestational
Genitourinary disease	Benign prostatic disorders	Benign prostatic disorders
Genitourinary disease	Genitourinary developments	Genitourinary developments
Genitourinary disease	Nephritis –Inflammation of the kidneys	Glomerulonephritis
Genitourinary disease	Nephritis –Inflammation of the kidneys	Nephritis –Inflammation of the kidneys
Genitourinary disease	Nephritis –Inflammation of the kidneys	Renal inflammation NEC
Genitourinary disease	Nephrosis or nephropathy - disease of the kidneys	Diabetic Nephropathy (Genitourinary disease)
Genitourinary disease	Nephrosis or nephropathy - disease of the kidneys	Ischemic injury
Genitourinary disease	Nephrosis or nephropathy - disease of the kidneys	Nephrosis or nephropathy - disease of the kidneys
Genitourinary disease	Nephrosis or nephropathy - disease of the kidneys	Renal or kidney disease NEC
Genitourinary disease	Other genitourinary conditions NEC	Other genitourinary conditions NEC
Genitourinary disease	Urogenital disorders	Bladder disorders
Genitourinary disease	Urogenital disorders	Urinary incontinence
Genitourinary disease	Urogenital disorders	Urinary tract infections
Genitourinary disease	Urogenital disorders	Urogenital disorders
Infectious and parasitic diseases	Antimicrobial/antibiotics resistance	Antimicrobial/antibiotics resistance
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Scabies
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Dengue Fever
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Haemorrhagic Fever (Ebola, Marburg virus)
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Lassa fever
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Equine virus
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Lice and mites
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Ross River Fever
Infectious and parasitic diseases	Arbovirus parasitical infections (incl Flavivirus and Alphavirus infections) - (insect, spider or crustacean borne) - Includes Encephalitis	Yellow Fever

Infectious and parasitic diseases	Other Bacterial infections NEC	Cystitis
Infectious and parasitic diseases	Other Bacterial infections NEC	Other Bacterial infections NEC
Infectious and parasitic diseases	Other Bacterial infections NEC	Klebsiella
Infectious and parasitic diseases	Other Bacterial infections NEC	Legionellosis (Legionnaire's disease)
Infectious and parasitic diseases	Other Bacterial infections NEC	Gas gangrene
Infectious and parasitic diseases	Other Bacterial infections NEC	Listeriosis
Infectious and parasitic diseases	Other Bacterial infections NEC	Pseudomonas
Infectious and parasitic diseases	Other Viral infections NEC	Respiratory virus NEC
Infectious and parasitic diseases	Other Viral infections NEC	Adenovirus
Infectious and parasitic diseases	Other Viral infections NEC	Coronavirus
Infectious and parasitic diseases	Other Viral infections NEC	Hantavirus
Infectious and parasitic diseases	Other Viral infections NEC	Other Viral infections NEC
Infectious and parasitic diseases	Childhood immunisable disease	Measles
Infectious and parasitic diseases	Childhood immunisable disease	Polio
Infectious and parasitic diseases	Childhood immunisable disease	Rubella
Infectious and parasitic diseases	Childhood immunisable disease	Tetanus
Infectious and parasitic diseases	Childhood immunisable disease	Varicella (Chicken pox)
Infectious and parasitic diseases	Childhood immunisable disease	Whooping cough
Infectious and parasitic diseases	Childhood immunisable disease	Childhood immunisable disease
Infectious and parasitic diseases	Childhood immunisable disease	Diphtheria
Infectious and parasitic diseases	Helminth parasitical infections	Trematodes/ liver fluke infections
Infectious and parasitic diseases	Helminth parasitical infections	Nematodes/roundworms
Infectious and parasitic diseases	Helminth parasitical infections	Schistosomiasis (blood fluke infections)
Infectious and parasitic diseases	Helminth parasitical infections	Hookworms
Infectious and parasitic diseases	Helminth parasitical infections	Hydatids/Tapeworms
Infectious and parasitic diseases	Helminth parasitical infections	Helminth parasitical infections
Infectious and parasitic diseases	Helminth parasitical infections	Cysticercosis (tapeworm larvae)
Infectious and parasitic diseases	HIV/AIDS	HIV/AIDS
Infectious and parasitic diseases	Hospital acquired infection (include Golden Staph)	Hospital acquired infection (include Golden Staph)
Infectious and parasitic diseases	Malaria (Plasmodium)	Falciparum
Infectious and parasitic diseases	Malaria (Plasmodium)	Malariae
Infectious and parasitic diseases	Malaria (Plasmodium)	Malaria (Plasmodium)
Infectious and parasitic diseases	Malaria (Plasmodium)	Ovale
Infectious and parasitic diseases	Malaria (Plasmodium)	Vivax
Infectious and parasitic diseases	Nervous system viral infections (Incl Encephalitis and Meningitis)	Rabies
Infectious and parasitic diseases	Nervous system viral infections (Incl Encephalitis and Meningitis)	Nervous system viral infections (Incl Encephalitis and Meningitis)
Infectious and parasitic diseases	Nervous system viral infections (Incl Encephalitis and Meningitis)	Bat Lyssa virus
Infectious and parasitic diseases	Nervous system viral infections (Incl Encephalitis and Meningitis)	Prion diseases (incl CJD and TSE)
Infectious and parasitic diseases	Nervous system viral infections (Incl Encephalitis and Meningitis)	Poliomyelitis

Infectious and parasitic diseases	Protozoal infections (Includes Malaria and Trichomoniasis (STI))	Giardiasis
Infectious and parasitic diseases	Protozoal infections (Includes Malaria and Trichomoniasis (STI))	Protozoal infections (Includes Malaria and Trichomoniasis (STI))
Infectious and parasitic diseases	Protozoal infections (Includes Malaria and Trichomoniasis (STI))	Cryptosporidium
Infectious and parasitic diseases	Protozoal infections (Includes Malaria and Trichomoniasis (STI))	Amoebic dysentery
Infectious and parasitic diseases	Protozoal infections (Includes Malaria and Trichomoniasis (STI))	Leishmaniasis
Infectious and parasitic diseases	Streptococcus bacterial infections	Necrotizing fasciitis
Infectious and parasitic diseases	Streptococcus bacterial infections	Impetigo
Infectious and parasitic diseases	Streptococcus bacterial infections	Scarlet Fever
Infectious and parasitic diseases	Streptococcus bacterial infections	Streptococcus bacterial infections
Infectious and parasitic diseases	Streptococcus bacterial infections	Osteomyelitis
Infectious and parasitic diseases	Streptococcus bacterial infections	Pharyngitis (strep throat)
Infectious and parasitic diseases	Streptococcus bacterial infections	Agalactiae
Infectious and parasitic diseases	Streptococcus bacterial infections	Tonsillitis
Infectious and parasitic diseases	Streptococcus bacterial infections	Toxic shock syndrome
Infectious and parasitic diseases	Streptococcus bacterial infections	Bacteremia (bloodstream)
Infectious and parasitic diseases	Streptococcus bacterial infections	Cellulitis
Infectious and parasitic diseases	Streptococcus bacterial infections	Pneumococcus
Infectious and parasitic diseases	Viral Hepatitis	Hepatitis D - Only to HBV infected people (blood borne – shared needles)
Infectious and parasitic diseases	Viral Hepatitis	Viral Hepatitis
Infectious and parasitic diseases	Viral Hepatitis	Hepatitis A - inflammatory liver (faecal/oral contact, food or water borne)
Infectious and parasitic diseases	Viral Hepatitis	Hepatitis B (HBV) - life threatening chronic liver virus (STI or blood borne)
Infectious and parasitic diseases	Viral Hepatitis	Hepatitis C (HCV) - severe inflammatory liver virus (STI or blood borne)
Infectious and parasitic diseases	Viral Hepatitis	Hepatitis E – acute inflammation in liver (contaminated water, faecal/oral contact)
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Cholera
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Clostridium perfringens
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Colitis
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Diarrhoea NEC
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Enteric fever
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Escherichia Coli (E Coli)
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Gastroenteritis
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Helicobacter Pylori
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Peritonitis
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Typhoid Fever
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Shigellosis/Shigella (dysentery/diarrhoea)
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Rotavirus
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Gastrointestinal infections (Include Staphylococcus)
Infectious and parasitic diseases	Gastrointestinal infections (Include Staphylococcus)	Salmonella
Infectious and parasitic diseases	Herpes virus	Epstein-Barr Virus
Infectious and parasitic diseases	Herpes virus	HSV (Herpes Simplex Virus)

Infectious and parasitic diseases	Herpes virus	Cytomegalovirus
Infectious and parasitic diseases	Herpes virus	Herpes virus
Infectious and parasitic diseases	Herpes virus	Varicella-zoster virus (shingles)
Infectious and parasitic diseases	Influenza (See also 2 - Respiratory disease)	Influenza (See also 2 - Respiratory disease)
Infectious and parasitic diseases	Mycobacterium	Leprosy
Infectious and parasitic diseases	Mycobacterium	Mycobacterium
Infectious and parasitic diseases	Mycobacterium	Mycobacterium avium complex (MAC)
Infectious and parasitic diseases	Mycobacterium	Tuberculosis
Infectious and parasitic diseases	Mycoses (fungal infections)	Aspergillosis
Infectious and parasitic diseases	Mycoses (fungal infections)	Tinea
Infectious and parasitic diseases	Mycoses (fungal infections)	Candidiasis
Infectious and parasitic diseases	Mycoses (fungal infections)	Cryptococcus
Infectious and parasitic diseases	Mycoses (fungal infections)	Mycoses (fungal infections)
Infectious and parasitic diseases	Mycoses (fungal infections)	Thrush
Infectious and parasitic diseases	Pathogenesis of infectious diseases (origin and development of disease)	Pathogenesis of infectious diseases (origin and development of disease)
Infectious and parasitic diseases	Encephalitis (mosquito borne)	Encephalitis (mosquito borne)
Infectious and parasitic diseases	Encephalitis (mosquito borne)	Japanese
Infectious and parasitic diseases	Encephalitis (mosquito borne)	Kunjin (Australian)
Infectious and parasitic diseases	Encephalitis (mosquito borne)	Murray Valley (Australian)
Infectious and parasitic diseases	Meningitis	Hemophilus influenzae
Infectious and parasitic diseases	Meningitis	Meningitis
Infectious and parasitic diseases	Meningitis	Meningococcus (Neisseria)
Infectious and parasitic diseases	Meningitis	Spinal
Infectious and parasitic diseases	Other non-specific infectious disease	Other non-specific infectious disease
Infectious and parasitic diseases	Other Parasitical infections NEC	Other Parasitical infections NEC
Infectious and parasitic diseases	Rickettsial infections	Eastern tick borne (Queensland tick typhus)
Infectious and parasitic diseases	Rickettsial infections	Q Fever
Infectious and parasitic diseases	Rickettsial infections	Rickettsial infections
Infectious and parasitic diseases	Rickettsial infections	Typhus
Infectious and parasitic diseases	RNA virus NEC	Enterovirus
Infectious and parasitic diseases	RNA virus NEC	Aphthovirus (incl Foot and mouth disease)
Infectious and parasitic diseases	RNA virus NEC	Picornavirus NEC
Infectious and parasitic diseases	RNA virus NEC	Rhinovirus
Infectious and parasitic diseases	RNA virus NEC	RNA virus NEC
Infectious and parasitic diseases	RNA virus NEC	Cardiovirus
Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Trichomoniasis (vaginitis)
Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Syphilis
Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Chlamydia
Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Gonorrhoea

Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Human Papillomavirus - HPV (Genital Warts)
Infectious and parasitic diseases	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)	Sexually transmitted Infections (incl Herpes virus and HIV/AIDS and Hep B and Hep C)
Infectious and parasitic diseases	Staphylococcus bacterial Infections	Staphylococcus aureus (Golden Staph)
Infectious and parasitic diseases	Staphylococcus bacterial Infections	Staphylococcus bacterial Infections
Infectious and parasitic diseases	Trachoma	Trachoma
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Melioidosis
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Anthrax
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Plague
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Rat bite fever
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Zoonotic parasitological infections (includes Arbovirus infections)
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Leptospirosis
Infectious and parasitic diseases	Zoonotic parasitological infections (includes Arbovirus infections)	Brucellosis
Injuries	Injury Prevention	Injury Prevention
Injuries	Intentional	Child abuse (Intentional Injuries)
Injuries	Intentional	Intentional
Injuries	Intentional	Other intentional injuries NEC
Injuries	Intentional	Domestic violence (Intentional Injuries)
Injuries	Intentional	Suicide and self harm
Injuries	Unintentional	Occupational/Environmental
Injuries	Unintentional	Other Unintentional injuries NEC
Injuries	Unintentional	Fire/Burns/scalds
Injuries	Unintentional	Unintentional
Injuries	Unintentional	Sports related
Injuries	Unintentional	Falls
Injuries	Unintentional	Vehicle accidents
Maternal conditions, Fetal development and Neonatal disorders	Fetal development (include Embryonic development from 24 Genetic therapies and Dev)	Fetal development (include Embryonic development from 24 Genetic therapies and Dev)
Maternal conditions, Fetal development and Neonatal disorders	In vitro fertilisation	In vitro fertilisation
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Menstruation
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Maternal Health
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Pregnancy
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Prematurity
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Reproduction
Maternal conditions, Fetal development and Neonatal disorders	Maternal Health	Menopause
Maternal conditions, Fetal development and Neonatal disorders	Neonatal disorders	Neonatal disorders
Maternal conditions, Fetal development and Neonatal disorders	Neonatal disorders	Low birth weight
Maternal conditions, Fetal development and Neonatal disorders	Neonatal disorders	Birth trauma and asphyxia
Maternal conditions, Fetal development and Neonatal disorders	Neonatal disorders	Other neonatal causes
Maternal conditions, Fetal development and Neonatal disorders	Neonatal disorders	Infections
Alzheimer's disease and other dementias	Other dementias	Other dementias

Alzheimer's disease and other dementias	AIDS Dementia complex	AIDS Dementia complex
Alzheimer's disease and other dementias	Alzheimer's disease	Alzheimer's disease
Cardiovascular disease	Risk factors for heart disease	Risk factors for heart disease
Cardiovascular disease	Blood circulatory issues NEC	Blood circulatory issues NEC
Cardiovascular disease	Stroke - cerebrovascular	Haemorrhagic
Cardiovascular disease	Stroke - cerebrovascular	Ischaemic
Cardiovascular disease	Stroke - cerebrovascular	Stroke - cerebrovascular
Cardiovascular disease	Thrombosis	Coronary thrombosis
Cardiovascular disease	Thrombosis	Deep vein thrombosis
Cardiovascular disease	Thrombosis	Thrombosis
Cardiovascular disease	Thrombosis	Venous thrombosis
Cardiovascular disease	Congestive heart failure	Congestive heart failure
Cardiovascular disease	Other cardiovascular disease NEC	Heart development issues
Cardiovascular disease	Other cardiovascular disease NEC	Preventive or health services research issues NEC
Cardiovascular disease	Other cardiovascular disease NEC	Public health related issues NEC
Cardiovascular disease	Other cardiovascular disease NEC	Other cardiovascular disease NEC
Cardiovascular disease	Blood Pressure disease	Blood Pressure disease
Cardiovascular disease	Blood Pressure disease	Hypotension
Cardiovascular disease	Blood Pressure disease	Hypertension
Cardiovascular disease	Cardiac Arrhythmia	Cardiac Arrhythmia
Cardiovascular disease	Cardiac Arrhythmia	Tachycardia
Cardiovascular disease	Cardiac Arrhythmia	Bradycardia
Cardiovascular disease	Cardiac Arrhythmia	Atrial fibrillation
Cardiovascular disease	Coronary artery disease	Coronary artery disease
Cardiovascular disease	Coronary artery disease	Aneurysm
Cardiovascular disease	Coronary artery disease	Atherosclerosis
Cardiovascular disease	Coronary heart disease	Cardiac arrest
Cardiovascular disease	Coronary heart disease	Coronary heart disease
Cardiovascular disease	Coronary heart disease	Myocardial Infarction
Cardiovascular disease	Coronary heart disease	Ischemia
Cardiovascular disease	Coronary heart disease	Angina
Cardiovascular disease	Valvular heart disease	Pulmonic valve issues
Cardiovascular disease	Valvular heart disease	Valvular heart disease
Cardiovascular disease	Valvular heart disease	Aorta valve issues
Cardiovascular disease	Valvular heart disease	Mitral valve issues
Cardiovascular disease	Valvular heart disease	Tricuspid valve issues
Cardiovascular disease	Embolism - blockage of a blood vessel	Arterial embolism
Cardiovascular disease	Embolism - blockage of a blood vessel	Embolism - blockage of a blood vessel
Cardiovascular disease	Embolism - blockage of a blood vessel	Pulmonary embolism

Cardiovascular disease	Embolism - blockage of a blood vessel	Cerebral embolism
Cardiovascular disease	Peripheral vascular disease (PVD)	Peripheral vascular disease (PVD)
Cardiovascular disease	Cardiomyopathy	Cardiac Fibrosis
Cardiovascular disease	Cardiomyopathy	Dilation
Cardiovascular disease	Cardiomyopathy	Rheumatic heart disease
Cardiovascular disease	Cardiomyopathy	Cardio Hypertrophy
Cardiovascular disease	Cardiomyopathy	Pericarditis
Cardiovascular disease	Cardiomyopathy	Vasculitis
Cardiovascular disease	Cardiomyopathy	Cardiomyopathy
Cardiovascular disease	Cardiomyopathy	Myocarditis
Cardiovascular disease	Cardiovascular surgery	Cardiovascular surgery
Cardiovascular disease	Disease of the veins NEC	Disease of the veins NEC
Cardiovascular disease	Disease of the veins NEC	Varicose veins
Cardiovascular disease	Disease of the veins NEC	Venous insufficiency
Cardiovascular disease	Microcirculation	Microcirculation
Asthma	Asthma	Asthma
Endocrine and metabolic conditions	Haemophilia	Haemophilia
Endocrine and metabolic conditions	Pituitary disorders	Pituitary disorders
Endocrine and metabolic conditions	Cystic Fibrosis	Cystic Fibrosis
Endocrine and metabolic conditions	Fertility	Fertility
Endocrine and metabolic conditions	Mitochondria disease	Mitochondria disease
Endocrine and metabolic conditions	Other endocrine issues NEC	Other endocrine issues NEC
Endocrine and metabolic conditions	Anemia	Anemia
Endocrine and metabolic conditions	Anemia	Aplastic
Endocrine and metabolic conditions	Anemia	Iron deficiency
Endocrine and metabolic conditions	Anemia	Thalassemia
Endocrine and metabolic conditions	Anemia	Sickle cell
Endocrine and metabolic conditions	Anemia	Pernicious
Endocrine and metabolic conditions	Anemia	Haemolytic
Endocrine and metabolic conditions	Anemia	Megaloblastic
Endocrine and metabolic conditions	Hormonal issues	Hormonal issues
Endocrine and metabolic conditions	Metabolism	Metabolism
Diseases of the Digestive	Oesophageal disorders	Barrett's Oesophagus
Diseases of the Digestive	Oesophageal disorders	Oesophageal disorders
Diseases of the Digestive	Peptic Ulcer - often caused by H.Pylori	Peptic Ulcer - often caused by H.Pylori
Diseases of the Digestive	Disease of the Pancreas	Disease of the Pancreas
Diseases of the Digestive	Disease of the Pancreas	Pancreatic insufficiency
Diseases of the Digestive	Disease of the Pancreas	Pancreatitis
Diseases of the Digestive	Digestive tract development	Digestive tract development

Diseases of the Digestive	Inflammatory digestive tract disorders	Gastritis - stomach lining
Diseases of the Digestive	Inflammatory digestive tract disorders	Enteritis - small intestine
Diseases of the Digestive	Inflammatory digestive tract disorders	Gastroenteritis - stomach
Diseases of the Digestive	Inflammatory digestive tract disorders	Inflammatory digestive tract disorders
Diseases of the Digestive	Inflammatory digestive tract disorders	Colitis - large intestine
Diseases of the Digestive	Inflammatory digestive tract disorders	Cystitis - bladder
Diseases of the Digestive	Inflammatory digestive tract disorders	Peritonitis - peritoneum (lining of abdominal cavity)
Diseases of the Digestive	Other digestive conditions NEC	Other digestive conditions NEC
Diseases of the Digestive	Bowel disease	Bowel disease
Diseases of the Digestive	Bowel disease	Diverticulitis
Diseases of the Digestive	Bowel disease	Irritable bowel syndrome
Diseases of the Digestive	Bowel disease	Crohn's disease
Diseases of the Digestive	Bowel disease	Inflammatory Bowel disease
Diseases of the Digestive	Bowel disease	Short bowel syndrome
Diseases of the Digestive	Gall bladder and bile duct disorders	Gall bladder and bile duct disorders
Diseases of the Digestive	Gastrointestinal Motility Disorders	Gastrointestinal Motility Disorders
Diseases of the Digestive	Gastro-oesophageal Reflux	Gastro-oesophageal Reflux
Diseases of the Digestive	Hernia	Hernia
Diseases of the Digestive	Liver disease	Cystic Disease of the Liver
Diseases of the Digestive	Liver disease	Fatty Liver
Diseases of the Digestive	Liver disease	Haemochromatosis
Diseases of the Digestive	Liver disease	Cholestasis
Diseases of the Digestive	Liver disease	Cirrhosis (fibrosis)
Diseases of the Digestive	Liver disease	Liver disease
Diseases of the Digestive	Liver disease	Menke's disease (copper metabolism)
Diseases of the Digestive	Liver disease	Primary Sclerosing Cholangitis
Diseases of the Digestive	Liver disease	Pyogenic liver abscess
Diseases of the Digestive	Liver disease	Wilson's disease (oversupply of copper in the liver)
Mental disorders (excluding Dementia)	Domestic violence	Domestic violence (Mental Disorders)
Mental disorders (excluding Dementia)	Adolescent developmental issues	Adolescent developmental issues
Mental disorders (excluding Dementia)	Childhood mental health	Autism
Mental disorders (excluding Dementia)	Childhood mental health	Childhood speech disorders
Mental disorders (excluding Dementia)	Childhood mental health	Asperger syndrome
Mental disorders (excluding Dementia)	Childhood mental health	Child abuse (Childhood Mental Health)
Mental disorders (excluding Dementia)	Childhood mental health	Attention deficit hyperactivity disorder (ADHD)
Mental disorders (excluding Dementia)	Childhood mental health	Childhood behavioural and developmental issues NEC
Mental disorders (excluding Dementia)	Childhood mental health	Childhood learning disorders
Mental disorders (excluding Dementia)	Childhood mental health	Childhood mental health
Mental disorders (excluding Dementia)	Childhood mental health	Childhood mental retardation

Mental disorders (excluding Dementia)	Learning disorders	Learning disorders
Mental disorders (excluding Dementia)	Mental retardation	Mental retardation
Mental disorders (excluding Dementia)	Other mental health issues NEC	Other mental health issues NEC
Mental disorders (excluding Dementia)	Other mental health issues NEC	Parent and family management of mental disorders
Mental disorders (excluding Dementia)	Other mental health issues NEC	Drug therapies in mental health
Mental disorders (excluding Dementia)	Other mental health issues NEC	Psychopathology
Mental disorders (excluding Dementia)	Other mental health issues NEC	Psychosocial issues
Mental disorders (excluding Dementia)	Other mental health issues NEC	Cognitive behaviour therapy
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Mood disorders
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Borderline personality disorder (rage, impulsivity, unpredictability)
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Depression
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Bipolar Disorder
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Psychotic and affective disorders
Mental disorders (excluding Dementia)	Psychotic and affective disorders	Schizophrenia
Mental disorders (excluding Dementia)	Speech related mental health	Speech related mental health
Mental disorders (excluding Dementia)	Substance Abuse	Petrol sniffing
Mental disorders (excluding Dementia)	Substance Abuse	Smoking
Mental disorders (excluding Dementia)	Substance Abuse	Alcoholism
Mental disorders (excluding Dementia)	Substance Abuse	Substance Abuse
Mental disorders (excluding Dementia)	Substance Abuse	Drug Abuse
Mental disorders (excluding Dementia)	Suicidal behaviour and self harm	Suicidal behaviour and self harm
Mental disorders (excluding Dementia)	Anxiety disorders	Anxiety disorders
Mental disorders (excluding Dementia)	Anxiety disorders	Obsessive compulsive disorder
Mental disorders (excluding Dementia)	Anxiety disorders	Panic
Mental disorders (excluding Dementia)	Anxiety disorders	Phobias
Mental disorders (excluding Dementia)	Anxiety disorders	Stress
Mental disorders (excluding Dementia)	Anxiety disorders	Anxiety
Mental disorders (excluding Dementia)	Eating disorders	Anorexia nervosa
Mental disorders (excluding Dementia)	Eating disorders	Bulimia nervosa
Mental disorders (excluding Dementia)	Eating disorders	Eating disorders
Nervous System Disorders	Rett's Syndrome	Rett's Syndrome
Nervous System Disorders	Enteric nervous system issues	Enteric nervous system issues
Nervous System Disorders	Epilepsy	Epilepsy
Nervous System Disorders	Learning, speech or memory related neurological issues	Learning, speech or memory related neurological issues
Nervous System Disorders	Nerve development or regeneration	Nerve development or regeneration
Nervous System Disorders	Prion disease	Prion disease
Nervous System Disorders	Autonomic and peripheral nervous system issues	Autonomic and peripheral nervous system issues
Nervous System Disorders	Central nervous system issues	Central nervous system issues
Nervous System Disorders	Cerebral Palsy	Cerebral Palsy

Nervous System Disorders	Dyslexia	Dyslexia
Nervous System Disorders	Huntington's disease	Huntington's disease
Nervous System Disorders	Migraine	Migraine
Nervous System Disorders	Motor Neuron disease	Motor Neuron disease
Nervous System Disorders	Multiple sclerosis	Multiple sclerosis
Nervous System Disorders	Muscular dystrophy	Muscular dystrophy
Nervous System Disorders	Neurodegenerative disease NEC	Neurodegenerative disease NEC
Nervous System Disorders	Neurogenesis - nerve development	Neurogenesis - nerve development
Nervous System Disorders	Neuromuscular disease NEC	Neuromuscular disease NEC
Nervous System Disorders	Other nervous systems issues NEC	Neuroanatomy
Nervous System Disorders	Other nervous systems issues NEC	Neurochemistry
Nervous System Disorders	Other nervous systems issues NEC	Neuroendocrinology
Nervous System Disorders	Other nervous systems issues NEC	Neurogenetics
Nervous System Disorders	Other nervous systems issues NEC	Neuroimaging
Nervous System Disorders	Other nervous systems issues NEC	Neuropathic pain
Nervous System Disorders	Other nervous systems issues NEC	Neuropathology
Nervous System Disorders	Other nervous systems issues NEC	Neurophysiology
Nervous System Disorders	Other nervous systems issues NEC	Neuropsychiatry
Nervous System Disorders	Other nervous systems issues NEC	Neuropsychology
Nervous System Disorders	Other nervous systems issues NEC	Other nervous systems issues NEC
Nervous System Disorders	Other nervous systems issues NEC	Peripheral neuropathies
Nervous System Disorders	Parkinson's disease	Parkinson's disease
Nervous System Disorders	Spinal Cord injury	Spinal Cord injury
Nervous System Disorders	Stroke - neurological aspect	Stroke - neurological aspect
Nervous System Disorders	Traumatic brain injury	Traumatic brain injury
Nutritional deficiencies	Infant Nutrition and diet	Infant Nutrition and diet
Nutritional deficiencies	Iron deficiency anaemia	Iron deficiency anaemia
Nutritional deficiencies	Malnutrition	Malnutrition
Nutritional deficiencies	Maternal Nutrition and Diet	Maternal Nutrition and Diet
Nutritional deficiencies	Obesity	Obesity
Nutritional deficiencies	Other dietary issues NEC	Other dietary issues NEC
Other III defined conditions	Sleep disorders NEC	Sleep disorders NEC
Other III defined conditions	Sudden Infant Death Syndrome	Sudden Infant Death Syndrome
Other III defined conditions	Toxicology or poisoning issues	Toxicology or poisoning issues
Other III defined conditions	Alternative medicines and treatments	Alternative medicines and treatments
Other III defined conditions	Alternative medicines and treatments	Complementary
Other III defined conditions	Alternative medicines and treatments	Herbal
Other III defined conditions	Alternative medicines and treatments	Oriental
Other III defined conditions	Chronic Fatigue Syndrome	Chronic Fatigue Syndrome

Other III defined conditions	Familial conditions	Familial conditions
Other III defined conditions	Haematology or blood disorders NEC (Includes Anemia)	Angiogenesis (or neovascularisation) (development of blood vessels)
Other III defined conditions	Haematology or blood disorders NEC (Includes Anemia)	Haematology or blood disorders NEC (Includes Anemia)
Other III defined conditions	Haematology or blood disorders NEC (Includes Anemia)	Lymphedema
Other III defined conditions	Haematology or blood disorders NEC (Includes Anemia)	Normal blood clotting
Other III defined conditions	Haematology or blood disorders NEC (Includes Anemia)	Sepsis and Septicaemia (bacterial infections of the circulating blood)
Other III defined conditions	Other illness issues NEC	Other illness issues NEC
Other III defined conditions	Plastic or reconstructive surgery	Plastic or reconstructive surgery
Other III defined conditions	Radiography/Imaging NEC	Magnetic Resonance Imaging (MRI)
Other III defined conditions	Radiography/Imaging NEC	Nuclear Magnetic Resonance Spectroscopy
Other III defined conditions	Radiography/Imaging NEC	Radiography/Imaging NEC
Other III defined conditions	Radiography/Imaging NEC	X-ray crystallography
Immunity and immunology NEC	Immunogenetics NEC	Immunogenetics NEC
Immunity and immunology NEC	Immunotherapy NEC	Immunotherapy NEC
Immunity and immunology NEC	Xenotransplantation	Xenotransplantation
Immunity and immunology NEC	Tumour Immunology	Tumour Immunology
Immunity and immunology NEC	Autoimmune disease NEC	Autoimmune disease NEC
Immunity and immunology NEC	Drug design, delivery and antibiotics development	Drug design, delivery and antibiotics development
Immunity and immunology NEC	Other immune system issues NEC	Other immune system issues NEC
Immunity and immunology NEC	Chemotherapy	Chemotherapy
Immunity and immunology NEC	Viral immunology	Viral immunology
Immunity and immunology NEC	Antivirals	Antivirals
Immunity and immunology NEC	Immunopathology NEC	Immunopathology NEC
Immunity and immunology NEC	Inflammatory conditions NEC	Inflammatory conditions NEC
Immunity and immunology NEC	Radiotherapy	Radiotherapy
Immunity and immunology NEC	Transplant Immunology	Transplant Immunology
Immunity and immunology NEC	Vaccine or immunisation issues	Vaccine or immunisation issues
Immunity and immunology NEC	Anaesthesia and pain management	Anaesthesia and pain management
Immunity and immunology NEC	Allergy	Allergy
Genetics - developments and therapies	Gene therapy NEC	Gene therapy NEC
Genetics - developments and therapies	Gene expression	Gene expression
Genetics - developments and therapies	Embryonic developments	Embryonic developments
Genetics - developments and therapies	Genetic defects	Genetic defects
Genetics - developments and therapies	Genetic epidemiology	Genetic epidemiology
Genetics - developments and therapies	Inherited disorders	Inherited disorders
Genetics - developments and therapies	Proteomics	Proteomics
Genetics - developments and therapies	Other genetic developments NEC	Other genetic developments NEC
Genetics - developments and therapies	Stem cell therapy	Stem cell therapy
Genetics - developments and therapies	X-linked disorders	X-linked disorders

Health services, public health and epidemiological research	Health ethics issues	Health ethics issues
Health services, public health and epidemiological research	Health policy issues	Health policy issues
Health services, public health and epidemiological research	Health Promotion, education and counselling	Health Promotion, education and counselling
Health services, public health and epidemiological research	Primary Health Care	Primary Health Care
Health services, public health and epidemiological research	Public and population health issues NEC	Public and population health issues NEC
Health services, public health and epidemiological research	Environmental health issues	Environmental health issues
Health services, public health and epidemiological research	Epidemiological studies NEC	Epidemiological studies NEC
Health services, public health and epidemiological research	Health economics	Health economics
Health services, public health and epidemiological research	Rehabilitation issues	Rehabilitation issues
Health services, public health and epidemiological research	Occupational health issues	Occupational health issues
Health services, public health and epidemiological research	Other health services issues NEC	Other health services issues NEC
Health services, public health and epidemiological research	Health Services effectiveness, training and administration	Health Services effectiveness, training and administration
Health services, public health and epidemiological research	Intensive, critical or acute care	Intensive, critical or acute care
