

NHMRC Centres of Research Excellence (CRE) for Funding Commencing in 2019

The Centres of Research Excellence (CRE) scheme supports research which aims to improve health outcomes and promote or improve translation of research outcomes into policy and/or practice.

CREs will provide support for teams of researchers to pursue collaborative research and develop capacity in clinical, population health and health services research.

The applications listed below were approved for funding by the Minister for Health, the Hon. Greg Hunt MP.
